Since it first rolled off the presses in November 1997, *Blitz* has been a hugely popular magazine. And, over the years, we have assembled a mailing list which is now one of the most sought-after lists in Canada.

Each time a new issue of *Blitz* is released, the 20,000 qualified professionals on its mailing list are notified. So, while most e-zines cannot tell advertisers who is logging on, *Blitz* can.
